T-This better not be a joke because, otherwise, I'll have no hesitation to beat you to death before the sun rises.

WHAT?! No, I'm not embarrassed! I'm Ghorza, a brave daughter of the Marrow Reavers! My clan has the titans' bloodline, scourge of the so-called empire and... the mate of a foolish human like you. I don't know which god made me foul enough to make me fall in love for you the day that we fought each other on the mountain, and then have sex inside that cave for the whole night... I never thought I'd see you again until you brought my father a saber-toothed cat's body as dowry for me... my heart started beating so fast I couldn't breathe.

But how could you ambush me like... like THIS?! Look, I accepted to following your wish for this ritual called "marriage", and washing my body to remove my tattoos just to make your family less scared of me, but I can't wear these stupid trinkets! I feel like an idiot wearing those fancy panties, I'm not one of those delicate elf... why can't I be naked under my underbelly?! I can't wear that white dress with *these things*.

You know what? Fuck human culture! Give me back my bearskin armor, we should run on the forest near this house and let you pound my pussy under the moonlight! Just me and you, and the forest... I'm so tired to waiting our wedding day to have your iron mace inside my womb...
